To whom it may concern,

It is my honour to write this letter of reference for Mr. Colin Gray who I have had the pleasure of working with on the Graduate Student Assembly (GSA) division of the Association for Educational Communication Technology (AECT).

As an organisation, one of the things that GSA has been missing was a branding identity and as such we were looking to create a logo that can be used for this purpose. Mr. Gray volunteered to design and graphically illustrate our logo. By generously giving of his time and volunteering to perform service for GSA and AECT, he ensured that his efforts and work will remain as part of his GSA legacy.

GSA as a division and AECT as an organisation have benefited from Mr. Gray's talent and design skills. I can testify to his professionalism, dedication, and teamwork skills and am therefore happy to be a reference for him.

Should you have any question or require additional information, please feel free to contact me at [tutaleni@psu.edu](mailto:tutaleni@psu.edu).

Sincerely,

A handwritten signature in black ink, appearing to read 'Tutaleni I. Asino', with a long horizontal line extending to the right.

Tutaleni I. Asino  
President of the Graduate Student Assembly  
Association for Educational Communications and Technology
